1 What's in your way?

1 What do you need?

1 What do you want?

2 How long have you been here?

2 What are you doing?

2 What will you bring?

3 What is it costing you?

3 Who are you being?

3 Who will you be?

3 How will you know you have it?

4 Why does it matter?

4 What will become possible?
